

### **A Message from Board Chairman, Joeri Carty**

As a valued member of Red Rocks Credit Union, I want you to be one of the first to know about an important update to our organization. The Board has named Darius Wise to lead as President and Interim CEO as we work with [Korn Ferry](#) to conduct our external search for a permanent CEO.

I would like to thank David Brooks for assisting as Interim CEO. His efforts got us across the finish line during our core conversion earlier this year and allowed us to set the organization up for success in making this shift in interim leadership. This will likely be a four-month search process, and we have the utmost confidence in Darius to lead the credit union as a good steward of your hard-earned dollars. The Board named Darius President in December 2021 after a remarkable three years in leadership roles with the credit union. In addition to his time here, he brings over 15 years of executive leadership experience in the non-profit sector.

We are excited about what the coming months will bring and appreciate your continued partnership.

Joeri Carty  
Chairman of the Board  
Red Rocks Credit Union
